### **Extra Curricular Activity Fees**

Activities outside of the regular curriculum, including athletics, drama, music, clubs, and other activities require a participation fee. These fees cover items such as sports uniforms, coaching salaries, entry fees, and transportation. These fees are non-refundable.

### **Elective Course Fees**

Elective courses may require a course fee. The course fee will be published at the time of registration.

### **Tuition Discounts**

Tuition discounts are available for staff, military, alumni, and full-time pastors. Please contact the office for further information.

### **FACTS Management**

Every family has a tuition account, incidental expense account, and a prepay account for their student(s) through our school management system (FACTS). Your tuition account is **only** for tuition payments. Your incidental expense account is used for After-Care, sports, and other extra curricular activity fees. The prepay account is primarily used to purchase RaiseRight cards.

### **Tuition Assistance**

It is our desire that no student be turned away from CCS due to finances. Therefore, the Crosspoint Christian School Board has established a designated fund for those in need of tuition assistance. We use the FACTS Grant & Assessment Program to access need-based tuition assistance. The amount of tuition assistance fund granted is based upon available funds. For more information, please contact the school office.
